# Foreword

Realizing that the area in which we live is rich in historical background, the class of 1958 decided to highlight these points of interest. The results of their endeavors lie here between the covers of the 1958 RED OAK.

The waters of the Rancocas, from which our school draws its name, flow steadily toward their destination. In much the same way, our students make their way through their four years of high school. They reach their goals, not unlike the tributaries of the Rancocas, to mingle thereafter in the greater waters of Life.

As our school draws its students from many districts, we have taken the history of all of these to give a more nearly complete picture of the rich and varied countryside in which we live.

The Class of 1958 takes pleasure in presenting the 1958 RED OAK and Rancocas Valley, U.S.A.

# In Memoriam

It was with great sorrow that we experienced the passing of Mr. Albert O. Dreher. Mr. Dreher was a devoted friend and teacher to students of Mount Holly High School.

# Dedication

We, the Class of 1958, with much pleasure and pride, dedicate our yearbook to Mrs. Alice Ames.

Her consideration and kindness have endeared her to us all. Always ready to listen and give aid, Mrs. Ames has been an inspiration to the class.

Her high ideals and rare integrity have set a goal to which we all aspire.

A town council is the motivating force in a community. The Board of Education serves our school in much the same manner. To them we owe most of the improvements in our school. With the new construction in progress, their job this year has certainly been a difficult one. The Rancocas Valley Regional High School Board of Education consists of Mr. Norman R. Zelley, president; Mr. Joseph A. Gerdelmann, vice-president; Mr. Robert C. Shinn, secretary; Mr. Charles M. Cooper, custodian; Mr. Charles S. Miller, Mr. Colin F. Tait, Mr. William P. Croshaw, Mr. Joseph A. Green, Mr. Spencer M. Scheckter, Mr. Elliott A. Hussey.

A town without a mayor is as useless as a school without a superintendent. Our superintendent of schools, Mr. Frederick Evans, has been one of the mainstays of our school. His capable handling of the many administrative problems has made our years run smoothly here at Mount Holly.

# ADMINISTRATION

Next on the list of essential persons in a community is the town manager and just as essential to our school is our principal Mr. Harry Wenrich. Mr. Wenrich has been an important part of our four years at high school. His friendly attitude and cooperative nature have made him easily accessible to the students of the school.

Assisting Mr. Wenrich is Mr. Leo Cantelope, our assistant principal. His fair and capable handling of many of the disciplinary problems has earned him the respect and admiration of the student body. His genuine interest in our problems has added to the enjoyment of our years here at Mount Holly.

# TIME OUT FOR GINGER

Virginia Carol is a fourteen year old tomboy living in a typical small American town. Her father, Howard Carol, bank official, gives a speech at the high school saying he thinks gym for girls should be abolished because it makes them act unladylike. Joan, eighteen, and Jeannie, sixteen, his daughters, agree, but Ginger does not. She goes out for football and makes the scrub team.

Mr. Wilson, the school principal, threatens to have Ginger expelled if she insists on playing football. This doesn't frighten Ginger; she stands up for her rights.

Ed Hoffman, the bank president, tries to persuade Howard to forbid Ginger to play football because of the disturbance caused at the bank, but Howard refuses. Lizzie, the maid, takes Ginger's side and the events that happen cause wide-spread interest.

Ginger proves she can out-run Eddie Davis, Joan's boyfriend and captain of the track team, when she beats him in a 100 yard dash. Tommy Green, Ginger's boyfriend, refuses to have anything to do with her because he is embarrassed when she plays football. Agnes, the mother, is always ready and willing to assist her daughters with their problems.

The turning point of the play occurs when Ginger makes a touchdown in the last two minutes of a game. The action develops into a delighful three act comedy that keeps one laughing till the end.

# JUNIOR PROM

Of all the social events at Rancocas Valley Regional High School, none is looked forward to with the same anticipation that heralds the Junior Prom. Plans for the 1957 occasion resulted in **Roman Holiday** on the evening of June 7.

# WASHINGTON TRIP

An exciting and memorable event during our four years at Rancocas Valley Regional High School was our senior trip to Washington, D.C.

It all began with a train ride to Baltimore where we boarded buses to Annapolis. At Annapolis we were thrilled with all the splendor of our Naval Academy. All too soon, we resumed our journey to Washington.

Our stay at the Hotel 2400 was most enjoyable, and we really saw the sights of our nation's capital. We were impressed with the Capitol Building with its magnificent dome and the chambers where our legislative bodies meet. The spaciousness of the White House was most impressive. The Lincoln Memorial was an inspiring sight, and across from it we could see the stately Washington Monument. Later, we took a climb to the top of that great memorial. Truly a beautiful place was Mount Vernon, which is located on the bank of the Potomac River; the grounds with their symatic splendor are a thrill to remember. Our visit to the Bureau of Printing and Engraving was very interesting. We saw workers counting and making those beautiful "green backs." Everywhere Washington delighted us.

Upon arriving home we agreed that the memories of this trip would remain in our hearts and minds for years to come.

# JUNIOR PLAY

SKIDDING

"Skidding" is the story of the Hardy family. Mr. Hardy, a judge, has problems concerning his re-election because a crooked party is trying to swing votes against him. The two oldest daughters, Estelle Hardy Campbell and Myra Hardy Wilcox, are married and out of the way, or so it was thought before the sisters decided they weren't happy and "came home to mama." These problems and many more point out that the Hardy family is skidding. When Judge Hardy takes a firm hand, the problems seem to come under control.

The events of this play compose a delightful three act comedy which will long be remembered by the class of '59.

# NATIONAL HONOR SOCIETY

To be elected to the National Honor Society is a great honor. The membership is by faculty election on the basis of scholarship, leadership, service and character. Seniors and juniors are eligible for consideration if they have attended this school for a full year and have attained a "B" or better average in their major subjects beginning with their sophomore year. Even after election to Honor Society, the student must maintain his "B" average. The emblem, a torch and a keystone with the letters C, S, L, S, is presented in an assembly to those who have been elected.
